Change Project – Recurrent Care Proceedings - Sustain, Start, Stop

> Discuss in your group and use this template to record relevant information about your area
> Think about the services, processes and systems in your area that are relevant for supporting vulnerable mothers who have experienced recurrent care proceedings

---

Sustain

What services, processes, systems in your area that are relevant for recurrent care and your proposed project are working well

---

Start

Where are the gaps and how might they be filled?

Stop

What is hindering effective work with recurrent care mothers in your area?
